Season ends with district loss at Charlevoix

The Charlevoix Raydors (18-2 overall, 8-2 league) were too much for the visiting Grayling Vikings (11-7 overall, 7-3 league) during last Monday's District 48-3 soccer tournament game, advancing to the semifinals with a 5-0 win vs. GHS. The loss ended Grayling's 2009 season.

"(Charlevoix) controlled the ball when they needed to and took advantage of their opportunities," Coach Craig Cobb said. "We had some overlooked players that led to them scoring quickly and we were playing catch-up the rest of the game." 13A

Vikings clinch playoff spot with 28-0 win vs. Ramblers

They needed a win, and they got one. The Grayling Vikings (6-3 overall, 5-2 league) clinched a playoff berth - and a second place finish (tie) in the Lake Michigan Conference - with a 28-0 victory vs. the visiting Boyne City Ramblers (6-3 overall, 5-2 league) last Friday in the squad's regular season varsity football finale.

"This was a great win for our kids. They were ready to play from the get-go. Our defense came out hitting hard, and our offense just took what their defense gave us. We showed a lot of heart out there, and we're all pretty excited about the playoffs," Coach Tim Sanchez said. 14A

Written agreement saves road millage

by Dan Sanderson
Staff Writer

The City of Grayling and the Crawford County Road Commission entered into an agreement on Monday, which will result in saving a road millage to repair and maintain county roads.

The Grayling City Council, by a 3 to 1 vote, approved an allocation agreement with the Crawford County Road Commission.

The agreement was approved by Mayor Larry Akers, Mayor Pro-tem Kim McClain and Councilperson Roger Moshier. Councilperson Tom Wellman cast the no vote.

Under the agreement, the City of Grayling will not challenge the levy of a road millage approved by voters in November 2008 and agreed that the road commission would receive the full millage.

Voters supported the five-year, one-mill proposal to fund the reconstruction and maintenance of county roads under the jurisdiction of the Crawford County Road Commission by a 3,531 yes vote to a 3,261 no vote. The millage, which will first be collected on the 2009 winter tax bills, will generate about \$543,000 per year for road repairs.

As Grayling City officials were planning for their 2010 fiscal budget, which began

Visitation restrictions put in place at hospital due to H1N1 influenza

Due to the heightened level of H1N1 influenza activity in the region, Mercy Hospital Grayling is temporarily restricting its visitor policy for the safety of its patients and staff.

These temporary restrictions apply to visitors - not patients. Mercy Hospital Grayling is committed to serving the needs of those seeking medical treatment.

Visitors 18 years old and younger will not be allowed in the hospital, Mercy Manor or outpatient clinics until further notice. We ask parents, if possible, to leave children home when visiting the hospital or Mercy Manor. Anyone with cold or flu symptoms also may not visit patients and visitors to the OB unit are being restricted to the parent or grandparents of newborns.

Mercy Hospital Grayling is being proactive in protecting its patients and visitors. Managing the amount of visitors will help limit the spread of the virus, as well as limit the admission of additional infection into the hospital. This visitation policy will continue to be evaluated on an ongoing basis.

Priest acquitted of assault charges stemming from petitions circulated at St. Mary's Parish

by Dan Sanderson
Staff Writer

The former priest for the St. Mary's Parish in Grayling was acquitted of alleged assault charges filed by an elderly woman who gathered petitions to prevent the Grayling Senior Center's proposed move to former Grayling Fish Hatchery.

Rev. Robert Nalley was found not guilty for charges of assault and assault in battery after a daylong jury trial held in Crawford District Court on Friday. A jury of five women and one man deliberated for an hour before rendering their decision.

The alleged charges stem from an incident, which took place in the St. Mary's Family Center on April 8, 2009. Vivian Powers, 84, a senior citizen among a group of people that circulated petitions to get a referendum vote on the ballot regarding moving the Grayling Senior Center to the fish hatchery building, was in the church. Powers was there to pick up food commodities distributed by the Northeast Michigan Community Service Agency (NEMSCA). After receiving her commodities, Powers said Walt Galvani, a St. Mary's parishioner and church volunteer, said she could collect signatures for the petitions if it was OK'd by the NEMSCA employees.

"He said it was all right with me if it was all right with the girls," Powers testified.

Later, Barb Selesky,

another senior citizen who has been a member of St. Mary's Parish for 65 years, came to get her commodities.

Selesky told Powers that conducting political related business on St. Mary's property was against church policy.

Selesky and Powers both testified that they have been on opposite sides of various community and senior citizen issues in the past.

Selesky, a former nun, informed Yvonne Schreiber, the St. Mary's parish secretary, of the violation of church policy. In turn, Schreiber contacted Nalley in the St. Mary's Rectory office and informed him of what was taking place with the petitions in the church.

When Schreiber asked Powers to leave the church, she replied, "Oh, Barb got to you. No Doubt."

As she was getting ready to leave, Nalley came in the church family center from an entrance on the other side of the building.

Powers claimed that Nalley grabbed her by the left upper arm, and grabbed petitions from a clipboard she was carrying.

"He was yelling and screaming at me that this was illegal," Powers testified.

Nalley acknowledged that he only became angry when Powers told him that St. Mary's was a public place and she was allowed to collect signatures for the petition there.

Nalley said he reached across the table, pressed the

clip holding the petitions and removed the paperwork with his other hand.

"I was taking the means to her end because she did not choose to leave," Nalley said.

Nalley, a lawyer himself who interprets church law and issues regarding parishioners, said he feared an opposing party for the petitions may come after the church.

"People are sue happy and they will go after anyone with supposed deep pockets," Nalley testified.

Further, Nalley said he wanted to protect the identity of people who come for counseling services at St. Mary's and did not want to jeopardize the commodities program.

"It's got one goal - the distribution of commodities," Nalley said. "The people should not be used for any other purpose."

Nalley said he looked over the petitions after he "cooled down" and had them turned into Crawford County Clerk/Register of Deeds Sandra Moore.

Powers reported the incident to then Grayling City Patrolman Michael Gammicchia. Gammicchia has since left the Grayling City Police Department to become a Crawford County Sheriff's Deputy.

Powers said she did not need to go to the hospital when she met Gammicchia at Goodale's Bakery after the incident.

"I did not feel I was physically hurt at the time," Powers said.

Powers, however, said she had bruises where Nalley allegedly grabbed her on the arm. She said the bruises were witnessed when she went for an appointment at Denholm's Family Chiropractic Clinic.

Dr. Craig Denholm was named as a witness by Crawford County Prosecutor Everette "Trey" Ayers, but was not called to testify Friday.

In closing arguments, Ayers argued the case came down to believing varying testimony between Powers and Nalley. Ayers, however, said the jury could deliver a guilty verdict for unconscious touching Powers and taking her petitions.

"It is just something that should not be happening," Ayers said.

Kevin Hesselink, a Gaylord defense attorney for Nalley, dubbed the case "Politics and the Priest." Hesselink argued that there were no witnesses who corroborated Powers recollection of the incident. Under cross examination, Hesselink said that bruises that Powers had could have occurred as result of her pulling away from Nalley during the confrontation.

Further, Hesselink argued that the prosecutor did not meet the burden of proof since there was no use of violent force, fear of violence or offensive touching during the alleged incident.

Nalley thought that the case was not going forward after initial investigation and witness interviews were conducted.

Nalley served as the pastor for the St. Mary's Parish for 15 years. On July 15, 2009, he was transferred to become the priest for the St. Patrick's Parish in Traverse City. Nalley said that a 20-person committee for Diocese of Grayling studied how to better utilize personnel and resources over several months. As a result, Nalley said 60 percent of the priests working in the Diocese were moved under recommendations approved by Bishop Patrick R. Cooney.

Rev. James Bearss, a pastor, and Rev. Peter Eke, an associate pastor, are currently serving at the St. Mary's Parish in Grayling.

Nalley said he received a answering machine message asking him to turn himself in to Crawford County Jail for his arrest on July 12, which he thought was a practical joke. Nalley had just come from a going away social gathering when he received the call.

Ultimately, 1,425 signatures were gathered to put the referendum to move the Grayling Senior Center to the fish hatchery on an Aug. 6, 2009 ballot. At the polls, the proposal which asked voters if Crawford County officials should issue \$1.5 million in general obligation bonds, which would have been used to build additions and make renovations to the former Grayling Fish Hatchery Building, was rejected by a 716 no to 629 yes vote.

Proposition Two, which asked voters if Crawford County officials should borrow up to \$2 million in general obligation tax bonds to build, equip and furnish a new senior center and Crawford County Commission on Aging offices on property located at 4895 West North Down River Road, also failed by a 948 no to 253 yes vote.

Pineview Surplus becomes collection site for Cell Phones for Soldiers program

by Dan Sanderson
Staff Writer

A Crawford County business which has sold military insignias, gear and equipment to customers for nearly three decades recently joined an effort to help troops serving in harms way keep connected to their loved ones.

Pineview Surplus, located at 7328 Old U.S. 27, recently became a drop off site for Cell Phones for Soldiers program. Dan and Chris Klatt purchased Pineview Surplus a dozen year ago. The business, founded in 1980, sells surplus Army and Navy insignias, camouflage, field gear, camping supplies, artifacts and memorabilia.

Cell Phones for Soldiers hopes to turn old cell phones into more than 12 million minutes of prepaid calling cards for U.S. troops stationed overseas in 2009. To do this, Cell Phones for Soldiers expects to collect 50,000 cell phones each month through a network of more than 5,000 collection sites across the country.

Chris Klatt said she learned about Cell Phones for Soldiers through an envelope included in a weekly shopper, which encouraged people to send used phones to the program, in a pre-paid envelope. After doing more research on the program, Pineview Surplus became a drop off site for used cell phones about a month ago.

"We're obviously a military oriented business, and we'd be happy for people to come in and drop off their cell phones for the troops," Klatt said.

The phones are sent to ReCellular, which pays Cell Phones for Soldiers enough

to provide an hour of talk timer per phone to soldiers abroad.

"Americans will replace an estimated 150 million cell phones this year," said Mike Newman, vice president of ReCellular. "With the majority of phones either discarded or stuffed in a drawer, most people don't realize that the small sacrifice of donating their unwanted phones can have a tremendous benefit for a worthy cause like Cell Phones for Soldiers."

Cell Phones for Soldiers was founded by teenagers Robbie and Brittany Bergquist from Norwell, Mass., with \$21 of their own money. Since then, the non-profit organization has raised millions of dollars in donations and distributed more than 500,000 prepaid calling cards to soldiers serving overseas.

"Cell Phones for Soldiers started as a small way to show our family's appreciation for the men and woman who have sacrificed the day-to-day contact with their own families to serve in the U.S. armed forces," said Bob Bergquist, the teen's father. "Over the past few years, we have been overwhelmed by the generosity of others. But, we have also seen the need to support our troops continue to grow as more troops are sent overseas for longer assignments."

Through increased fundraising efforts, the Bergquist family hopes to raise more than \$9 million in the next five years to fund new programs, such as providing video phones and prepaid service to allow soldiers abroad to see their families

on a regular basis.

Approximately half of the phones ReCellular processes are reconditioned and resold to wholesale companies in over 40 countries around the world. Hand sets and components that cannot be refurbished are dismantled and recycled to reclaim valuable materials.

In 2009, ReCellular expected to recycle one million pounds of scrap phones and accessories. ReCellular works with recycling partners to reclaim valuable materials from every component that is donated including:

- Gold, silver and platinum from circuit boards.
- Copper wiring from phone chargers.
- Nickel, iron, cadmium and lead and battery packs.
- Plastic from phone cases and accessories.
- Paper and cardboard from shipping materials used for donations.

ReCellular has supported more than 2,000 national and local charities since pioneering the Charity Cell Phone Donation Program. In 2009, ReCellular expected to raise \$8 million for charities such as Cell Phones for Soldiers.

According to the U.S. Environmental Agency, electronic waste is accumulating almost three times faster than ordinary household trash. Further, if Americans recycled 100 million cell phones, the country could save enough energy to power more 194,000 U.S. homes each year. Finally, if consumers were able to reuse those 100 million cell phones, the environmental savings would be even greater, saving enough ener-

Almanack

by Richard Milliman

Granholt interview covers the bases

EVEN WITH her hands full in trying to help resolve Michigan's lingering budget uncertainties, Gov. Jennifer Granholm continues to attract national attention.

Not since the days of former Govs. George Romney or G. Mennen Williams has the governor of Michigan enjoyed the national spotlight as often and usually as favorably as Ms. Granholm.

She was thrust front and center nationally during the 2008 presidential campaign, first as an outspoken backer of loser Hillary Clinton for the Democratic nomination, then as a frequent and visible campaigner for winner Barack Obama, including helping to prepare him for the presidential candidate debates.

It was only natural for Ms. Granholm to be rumored for a significant appointment in the new Obama Administration, everything from cabinet post to a judgeship to an ambassador's job, and the national media paid continuing attention to her.

Following closely was her outspoken support of Michigan automakers as they wrestled with Washington politicians - including President Obama - for federal sur-

vival assistance, apparently successfully, at least up to this point.

THE BEAT goes on. Now Time magazine has devoted a full page of its November 2 issue to Gov. Granholm on the magazine's popular "10 questions" feature.

Taken as a whole, her responses to the 10 questions echo some of her campaign speeches familiar to Michiganians who have followed her home state career, including two campaigns for governor.

She is upbeat about Michigan's eventual recovery from the double whammy of a national economic crisis and steeply declining Michigan manufacturing base. She endorses the importance of retraining idled workers, the value in job creation of Michigan workers with existing skills, and Michigan's incipient role in producing green energy.

She defended tax credits in specific areas, but noted: "You can't give tax credits to everybody, because somebody's got to pay for them," which is a comment I'm not sure some of her home state critics would recognize as part of her political belief system.

ASKED WHAT'S on her iPod, the governor said "everything from Andrea Bocelli to Aretha Franklin to Bruce Springsteen to Black Eyed Peas."

Interestingly five of the 10 questions came from Michigan residents, including what she plans to do after her final term ends next year.

"I really don't know, but I can tell you I will have had a lot of experience in leading during a time of sustained crisis," she said. "The biggest lesson is that you have to play offense. You can't just hunker down. You have to continue to lead and push forward despite all the challenges, and you have to have a skin as thick as a rhinoceros's."

Question No. 10 came from Germany: "If they changed the Constitution, would you run for President?"

Gov. Granholm replied: "No. And it ain't gonna happen."

REGARDLESS OF how Michiganians may feel about her job performance during eight years as governor - good or bad - Gov. Jennifer Granholm generally has projected a favorable public

image whenever she has appeared on the national stage.

And why not? She's articulate, bright, knowledgeable in many areas, personally attractive, good family person with no apparent personal drawbacks, and a good interview who doesn't mumble and stumble.

The feeling may not be the same with everyone - rigid partisanship being what it has become these days - but I always have a positive feeling of home state pride whenever one of Michigan's leaders, regardless of party, is featured in a positive way on the national stage.

Jennifer Granholm is a good representative of Michigan, but still has a way to go. She hasn't yet made the cover of Time; both Gov. Williams and Gov. Romney did.

SCHOOL FUNDS - The finished product has not yet been produced as of this writing, but it looks like Michigan public schools are being seriously shortchanged in the new state budget.

Most members of the legislature, plus a very consistent and vocal Gov. Granholm, have pushed the position that education is vital, our future is our kids, we must

reach students early and consistently to prepare them for the changing real world, we must not shortchange the vital asset of our children's minds, schools must do a better job in nurturing young minds, etc., etc., etc.

Yet public dollars for schools have been cut, and cut again. Even Gov. Granholm, perhaps the loudest champion of the importance of early education for our state's future, sliced state aid to local schools not once but twice in recent weeks.

I shiver to think how K-12 education would fare in Michigan if the decision makers in Lansing didn't profess such love for our schools and our kids so much.

What hypocrisy. To borrow a couple of phrases from the street vernacular:

Why don't they put our money where their mouth is?

Our political leaders should either start walking the walk, or stop talking the talk.

Whose idea to remove wheelchair ramps?

To the editor:

Maybe one of your readers can tell us whose lame-brained idea it was to remove two out of three wheelchair ramps on State Street, from the Senior and Disabled Citizens Complex of the Grayling Housing Commission. No one seems to know, and definitely will not admit it.

It's not just wheelchairs that used those ramps. There are more than a couple seniors and disabled persons that have to use walkers with and without wheels to get between the Senior and Disabled Complex to the businesses to the west of State Street.

This winter it will be even more difficult accessing the businesses on the west side of State Street, with the

snow removal policies of the Grayling Housing Commission. The housing commission doesn't remove snow and ice from the sidewalks on weekends, if the accumulation is less than six inches.

To make matters worse the burger-barn, adjacent to the Senior and Disabled Complex, never removes the snow from their sidewalks in the winter cutting off one more access to State Street, by those that have been discounted as unimportant by the lame-brained galah(s) that had two of the three ramps removed.

Since the City of Grayling seems to have excess BUCK\$ to pay for such a lame-brained action, why doesn't it continue the sidewalk on the east side of

State Street from just north of Madsen Street to Ingham Street or vice versa?

Herluf Moshier
Grayling

P.S. I would appreciate the information so that I can include it in letters to the State of Michigan, the United States Attorney General's Offices and HUD when I inquire as to the validity of such an action under the Senior Citizens Laws and the Americans with Disability Act.

I believe that the two removed access ramps were grandfathered and must be replaced with appropriate access ramps having been there over 20 years. Not removed, as they were.

Grayling needs ideas

To the editor:

I moved here after I retired and I sincerely appreciate the quiet, the wildlife and the small town feel ...up to a point.

The empty storefronts here are depressing. Yes, the economy is bad but, people still travel and people still come to town and spend money.

We need ideas to bring

more people more often to spend more money. If you're new here, what do you miss most about where you came from? If you're a native, what draws you to your travel destinations? What changes would you like to see here? What new things would you like to see? How could our local schools improve and/or make money? What would

you parents (and your children) like to see?

If you make this city a place you love to be for you and your family then others will see and feel this love in both the city and its citizens.

Think positive! Send ideas!

TRICK OR TREAT SAFETY TIPS

The Grayling City Police are recommending that trick or treat take place in Grayling from 6 p.m. to 8 p.m. on Saturday, Oct. 31.

With witches, goblins and super-heroes descending on neighborhoods, the City of Grayling offers parents some safety tips to help prepare their children for a safe and enjoyable trick-or-treat holiday. Halloween should be filled with surprise and enjoyment, and following some common sense practices can keep events safer and more fun.

- Walk, slither and sneak on sidewalks, not in the streets.
- Look both ways before crossing the street to check for cars, trucks and low-flying brooms.
- Cross the street only at corners.
- Don't hide or cross the street between parked cars.
- Wear light-colored or reflective-type clothing so you are more visible (remember to put reflective tape on bikes, skateboards and brooms, too!).
- Plan your route and share it with your family. If possible, have an adult go with you.
- Carry a flashlight to light your way.
- Keep away from open fires and candles (costumes can be extremely flammable).
- Visit homes that have their porch light on.
- Accept your treats at the door and never go into a stranger's house.
- Use face paint rather than masks or things that will cover your eyes.
- Be cautious of animals and strangers.
- Have a grown-up inspect your treats before eating and don't eat candy if the package is already opened. Small, hard pieces of candy are a choking hazard for young children.

Secretary of State now offers enhanced driver's licenses

The popular driver's license and state ID now are available at the Grayling Secretary of State branch office.

"Thousands of Michigan residents who travel to Canada for work or enjoyment have made the enhanced license a fast seller," said Secretary of State Terri Lynn Land. "Because of this customer demand, we've made applying for this simple way to cross the border even more convenient."

Enhanced licenses and ID cards let people re-enter the United States from Canada, Mexico and the Caribbean at land or sea crossings in compliance with federal regulations that took effect June 1.

Applicants must be a U.S. citizen and a Michigan resident. They also must have a driving record that does not prevent them from legally operating a motor vehicle. Customers receive their new enhanced license or ID in the mail within two to three weeks. The Secretary of State's Office offers the enhanced driver's license and ID as an alternative to the standard license and ID.

To apply, a person must present documentation of:

A valid Social Security number, such as a Social Security card.

U.S. citizenship, such as an original or certified birth certificate.

Identity, such as a Michigan license or state ID card.

Residency, such as a Michigan license or state ID card.

An applicant's full name and date of birth should match on identity and citizenship documents. If an applicant's legal name is different from what is shown on his or her citizenship documents, he or she must present proof of the name change, such as an original marriage license, divorce decree or court order.

The enhanced license costs \$45 and the ID card is available for \$30. Residents who are blind, or age 65 or older pay a reduced fee of \$20 for the ID card.

For more information on the enhanced driver's license and a list of offices accepting applications, visit www.Michigan.gov/sos.

The Bible Speaks

Saved Without Exclusion

Romans 10:11-13 gives God's promise and proof that those who fully believe and trust God's gospel revealed in Romans 10:9,10 will be saved without excuse or shame; without exception or difference; and without exclusion or elimination. "11For the scripture saith, Whosoever believeth on him shall not be ashamed. 12For there is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that call upon him. 13For whosoever shall call upon the name of the Lord shall be saved." God promised in John 1:12: "12But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name."

God gave the gospel to "whosoever will." This is the last invitation of the Bible in Revelation 22:17: "17And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the water of life freely." This is the message of John 3:15,16: "15That whosoever believeth in him should not perish, but have eternal life. 16For God so loved the world, that he gave his only

begotten Son, that whosoever believeth in him should not perish, but have everlasting life." He assured us in verse 17 that He sent His Son to save us, and not to condemn us.

This gives us assurance of salvation in Acts 2:21: "21And it shall come to pass, that whosoever shall call on the name of the Lord shall be saved." "15Whosoever shall confess that Jesus is the Son of God, God dwelleth in him, and he in God." (1 John 4:15). "1Whosoever believeth that Jesus is the Christ is born of God: and every one that loveth him that begat loveth him also that is begotten of him." (1 John 5:1).

While the gospel is to whosoever will, and humans are individually responsible to accept Jesus Christ as their God and Savior, God presents the gospel not as a choice, but as a command in 1 John 3:23: "23And this is his commandment, That we should believe on the name of his Son Jesus Christ, and love one another, as he gave us commandment." Neither is the preaching of the gospel a choice, but a command in Acts 10:42: "42And he commanded us to preach unto the people, and to testify that it is he which was ordained of God to be the Judge of quick and

dead." As Acts 17:30 reminds us: "30And the times of this ignorance God winked at; but now commandeth all men every where to repent." The burden of responsibility for rejecting the gospel of Jesus Christ rests directly upon each sinner's own disobedience.

"8But what saith it? The word is nigh thee, even in thy mouth, and in thy heart: that is, the word of faith, which we preach; 9That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. 10For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation." (Rom. 10:8-10).

"38Whosoever therefore shall be ashamed of me and of my words in this adulterous and sinful generation; of him also shall the Son of man be ashamed, when he cometh in the glory of his Father with the holy angels." (Mark 8:38) "6And blessed is he, whosoever shall not be offended in me." (Matt. 11:6). Pastor "B"

Alumni Hall Of Fame Nominations

Due January 29, 2010

The 5th Alumni Hall of Fame Ceremony will take place at Grayling High School on Sunday, May 2, 2010. Nomination forms are available at every school and at Central Office. The nomination form is also available on the district website. The three criteria that the board will use to select the alumni are:

- Highest degree possible in candidate's field of study
- Significant life achievement, honor or award
- Significant contribution toward improving the lives of others

If you know someone worthy of this honor, please take the time to fill out a nomination petition. The board will be making the selection by February, 4, 2010, and only twenty individuals will be honored this year. The inductees into the Alumni Hall of Fame will be displayed proudly in the main entrance at Grayling High School.

The purpose of this program is to not only honor graduates from our community who have accomplished great things in their lives, but also to motivate our students at the high school to set goals for their own future.

Thank you Nate and Kristen Ginter! People like you two are few and far between.

We went to a garage sale at their home. I couldn't walk, so I always sit in the truck and I could see a grandfather clock in the garage. I asked my wife to check it out for me. She came back and said they were asking \$200 for it and it had some damage on the front. I told her to forget it.

Four days went by thinking about this clock, so I called Nate and asked if he still had the clock, he said "yes."

I told him he would prob-

ably have a hard time selling it because of the damage on the front. I offered him \$75. Nate said he would call me back and he did. He said he couldn't sell it to me, but would give it to me and deliver it to my house.

Nate said he remembered me from when he was in elementary school and that I was always nice to him and that his wife worked for Elaine at the Holiday Inn and was nice to her also.

Thanks again Nate and Kristen.

Honors

Seven graduates of Grayling High School have earned the designation of AP Scholar by the College Board in recognition of their exceptional achievement on the college-level Advanced Placement Exams. Only 18 percent of the more than 1,700,000 high school students worldwide who took these exams performed at a sufficiently high level to merit the recognition of AP Scholar.

The College Board recognizes several levels of achievement based on the number of courses and exams taken. One student, April Korneli, qualified for the highest award, that of National AP Scholar. Only 6 percent of students earn such an award, which is given to students in the U.S. who receive an average grade of at least 4 on all AP exams

Weston Willoughby

taken, and grades of 4 or higher on eight or more of those exams. April, who is the daughter of Fred and Sally Korneli, is currently a student at Michigan State University, majoring in pre-med. April had this to say about the AP program, "Grayling High School has an amazing AP program. Students who take advantage of it can earn college credit, a competitive edge when applying to college and a challenge that better prepares them for college-level classes. I would highly encourage every student to take advantage of the wide variety of AP courses GHS offers which are taught by the best teachers. I would not be the student I am today without having taken AP classes."

Emily Sloan, currently a student at Duke University studying biomedical engineering, received the designation of AP Scholar with

Distinction. This designation is achieved by earning an average grade of at least 3.5 on all AP exams taken, and grades of 3 or higher on five or more of those exams. She is the daughter of Mark and Val Sloan.

Two students qualified for the AP Scholar with Honor Award, which is granted to students who receive an average grade of at least 3.25 on all AP exams taken and grades of 3 or higher on four or more AP Exams. Brianna Farrell, daughter of Brian and Judith Farrell, is attending Central Michigan University, pursuing a major in communications with an emphasis in public relations and a minor in performing arts. Jonathon Lovely, son of Shelley and Scott Norman and Dave and Carol Lovely, is attending Western Michigan University to pursue a degree in pre-theater and fine arts.

Three students were granted the AP Scholar Award, given to students who receive grades of 3 or higher on three or more AP Exams: Joseph Emmons, son of Jeffrey and Nadine Emmons, is a student at Grand Valley State University majoring in criminal justice and psychology with a minor in foreign language. Hannah Smith, daughter of Dean and Lori Smith, attends Michigan Technological University where she is studying biomedical engineering. Weston Willoughby, son of Sharon and Todd Willoughby, attends Michigan State University, where he is participating in the Lyman Briggs Program. Lyman Briggs is a residential learning community at MSU, devoted to studying the natural sciences and their impact on society.

Grayling High School has offered AP classes since 1980. The first course offered was English Composition. Since that time, the program has expanded, and students are now able to take AP courses in art, biology, calculus, chemistry, English language and literature, U.S. History, and European History. Students at G.H.S. have also taken AP exams in French, Spanish, German, Human Geography and World History, through independent study.

Phil's Towing opens regional hub in Grayling to serve customers

by Dan Sanderson
Staff Writer

A new towing company recently began rolling the roads in Crawford County and helping stranded motorists.

Phil Hendershott, the owner of Phil's Towing, established a second location for his towing business at 6405 West M-72.

Since 1984, Hendershott has operated Phil's Auto and Truck Service, which includes both a towing business and auto repair service, in Houghton Lake.

Hendershott said he researched the move to open a branch location by talking with Crawford County Dispatch officials and other towing companies in Grayling.

"I just decided to come here and see if we could help out the community," Hendershott said.

Hendershott said the towing business is a highly competitive business. He planned the Grayling branch to serve as a hub to serve Crawford County and surrounding counties all the way up to the Mackinac

Photo by Dan Sanderson

Phil Hendershott, the owner of Phil's Towing, established a second location for his towing business at 6405 West M-72. Above, Hendershott planned the Grayling branch to serve as a hub to serve Crawford County and surrounding counties all the way up to the Mackinac Bridge.

Bridge.

"It cost a lot of money to run a decent operation," Hendershott said.

Phil's Towing is a 24-hour-a-day operation which can help with lockouts, jump starts, flat tires, stuck vehicles and vehicles which have been in accidents. The company serves AAA cus-

tomers and customers for five other auto clubs.

Hendershott has a workforce of 10 employees between the Grayling and Houghton Lake branches, which include full-time and part-time employees to run the business around the clock. More part-time employees are brought on

during the winter months to cut down on the response times to the scene of calls.

Hendershott holds regular training and weekly meetings with his employees just like EMT services and fire departments.

"It's probably no different than any other business but it keeps things running smooth," he said.

After being involved in the business for 25 years, Hendershott said he appreciates being able to help people out and the variety of challenges thrown at him and his employees.

"It's fun as far as I'm concerned and it's a challenge every time," Hendershott said. "It's nice to help people out and I've met a lot of good people over the years."

The Grayling branch of Phil's Towing includes an impound yard and building where the trucks can be kept inside during the winter months.

Written agreement saves millage for county road repair, maintenance

Continued from 1A
July 1, local officials learned that the city leaders hoped to tap the county millage to offset the cost of repair and maintenance major streets within the city limits from an article published in the May 7 edition of the *Crawford County Avalanche*. The funds city officials were seeking to obtain would have been from taxes collected from city property owners for the county road millage.

City officials were citing Public Act 238 of 1909, better known as the Public Highways and Private Roads Act, which governs the allocation and use of tax revenues after a tax levy is submitted to the electorate.

The state law says that all tax funds allowed to be captured by a millage or bond issue should go to the county treasurer. Exceptions are made, however, for the amount of county primary roads and major streets within cities and villages. In addition, the statute says that revenues shall be distributed to cities and villages for the proportion of state equalized values each jurisdiction has compared to the state equalized values of unincorporated areas in the county. The City of Grayling was incorporated from being a village to city in 1935. Finally, city officials argued that taxes collected from city property owners should not go to subsidize roads in the townships.

The Crawford County Board of Commissioners said it would not levy the millage if an agreement between the city and road commission was not reached.

Last week, the Crawford County Board of Commissioners received an opinion from David Stoker,

an attorney for the county.

Stoker said no language in the state statute prohibited an agreement being reached after ballot approval. Also, Stoker said to apply pre-election requirements into statutory language would impede the ability of local jurisdictions from reallocating the funds based on the annual needs for projects. Stoker added it is likely that such flexibility in one of the purposes of allowing the exception from the fixed statutory allocation structure.

Stoker said a lawsuit between the City of South Haven and the Van Buren County Road Commission, which involved a similar legal squabble, served as a precedent case in the Michigan Supreme Court. The case was decided in 2007.

Gerald Brabant, the attorney for the City of Grayling, conferred that the county could not levy the millage if there was no agreement or without a formula for disbursement of the funding. Finally, Brabant said the city had no claim to the funds and the amount of tax dollars is capped by the language of the ballot proposal.

"There is no way to undo that little quandary," Brabant said.

Stoker said the allocation agreement needed to a bilateral agreement approved by both parties. The city will be held harmless from any liability regarding the issues.

"We have no liability at all," Brabant said. "We wash our hands of this and walk away from this."

Stoker, however, recommended that there should be an agreement between the county board and the road commission that the road commission, which would

assume the responsibility for repaying the tax dollars involved and the cost of defending potential litigation if challenged.

Don Babcock, managing director for the Crawford County Road Commission, said the road commission could now focus on fixing county roads since the agreement was in place.

"We're certainly pleased to get this resolved so we can start planning and getting some road improvements done," Babcock said.

Ken Riehle, chairman of the road commission, said the agreement means that funds can now be spent on road repairs and maintenance instead of on legal advice.

"If this wasn't the outcome, we would have lost about \$3 million over the next five years," Riehle said. "Now, the money can be spent on improving our roads."

The Crawford County Board of Commissioners was scheduled to meet Tuesday afternoon to approve agreements between the county and the road commission. The board also planned to give the green light to have the road millage levied along with other county taxes.

"We're thankful the city worked with us through these issues and now we can apply that money to much needed repairs for our roads," said Dave Stephenson, chairman of the Crawford County Board of Commissioners.

McClain said the council members have had a lot of anxious moments over the past several weeks over the road millage issue. She added that City Manager David Thayer, who became aware of a similar issue involving Boyne City and the Charlevoix County

Road Commission, has taken a lot of heat over the issue. McClain stressed that Thayer is tasked with watching out for the best interest of the city and providing information to the city council so they can make decisions and set policy.

"We had no desire to take your money," McClain told the road officials.

Mayor Larry Akers said the issue has taken too much time for city and county officials.

"We need to move on and get on to the next line of work that we need to get involved with," Akers said.

The agreement only applies to the current millage over the next five years. If a millage renewal is sought, funds will be allocated by the state statute unless a written agreement is reached between the city and the road commission.

The city council amended its budget Monday to remove \$63,732 from its major streets fund. Thayer said he will review the budget in January to determine how the city will fill the budget hole.

Wellman said he was hoping a more equitable solution could be reached between city, road commission and county officials.

"Taxes are a very serious business, and I believe the best way to fix the flawed ballot proposal was to start over with a new ballot issue that follows the law," Wellman said. "What happened last night (Monday) is an attempt to validate last year's election after the fact. As now proposed, city tax dollars will now go to maintain township roads and the city will be unable to use that money to fix city streets."

have an upset stomach and diarrhea. The cough may last two to seven days.

• Persons who are sick should stay home until their

fever has been gone for 24 hours without the use of fever reducing medication. They can also take medications to relieve flu symptoms (but never give aspirin to ill children or teenagers without first speaking with a doctor). It is not necessary to go to the Emergency Room or Urgent Care for typical flu symptoms.

• Persons who have severe illness or are at high risk for flu complications should contact their health care provider or seek medical

care. This includes pregnant women, young people under 24 years old, and people of any age with chronic medical conditions.

Emergency warning signs that require urgent medical attention include:

- In children:
- Fast breathing or troubled breathing.
- Bluish or gray skin color.
- Not drinking enough fluids.
- Severe or persistent vomiting.

• Not waking up or not interacting.

• Being so irritable that the child does not want to be held.

• Flu symptoms improve but then return with fever and a cough.

In adults:

- Difficulty breathing or shortness of breath.
- Pain or pressure in the chest or abdomen.
- Sudden dizziness.
- Confusion.
- Severe or persistent vomiting.

• Flu-like symptoms improve then return with fever and a cough.

Vaccination is the best prevention against both seasonal and H1NI flu. It is also important for people to wash their hands often, use cough etiquette, and avoid people who are sick.

For questions or concerns about flu symptoms, please contact your physician. For more information on the seasonal flu and swine flu, contact your local health department or visit the Centers for Disease Control (CDC) at cdc.gov/h1n1flu/.

Season ends with district loss at Charlevoix

Soccer team finishes year with 11 wins

Senior Staff Writer

The Charlevoix Rayders (18-2 overall, 8-2 league) were too much for the visiting Grayling Vikings (11-7 overall, 7-3 league) during last Monday's District 48-3 soccer tournament game, advancing to the semifinals with a 5-0 win vs. GHS. The loss ended Grayling's 2009 season.

The Rayders, playing on their home field at Charlevoix High School, scored two goals in the first 10 minutes of the game. Neither team scored in the first half's final 30 minutes, and the Rayders led 2-0 at halftime.

Approximately three minutes into the second half, Charlevoix scored its third goal of the match. The Rayders added goals at the 17:18 mark and the 4:42 mark to win 5-0.

"(Charlevoix) controlled the ball when they needed to and took advantage of their opportunities," Coach Craig Cobb said. "We had some

overlooked players that led to them scoring quickly and we were playing catch-up the rest of the game."

"We had quite a few opportunities. The score doesn't reflect on how close the game really was. We just had moments where we fell apart," Coach Cobb said. "I'm proud of the way the guys stuck with it all the way through."

For Grayling, goalkeeper Nick Sendek, a senior, had 12 saves.

Senior Matt Hilbrecht, a co-captain, played limited minutes vs. Charlevoix after missing the entire regular season with an injury. Other seniors finishing their GHS soccer careers included: Brady Coe (co-captain), Jordan Small, Colin Hamlin, and John Lennon. The senior group also included five exchange students: Hagan Reimers, Filipe Carvalho, Andy Davila, Marc Pirogan, and Antuan Charruf.

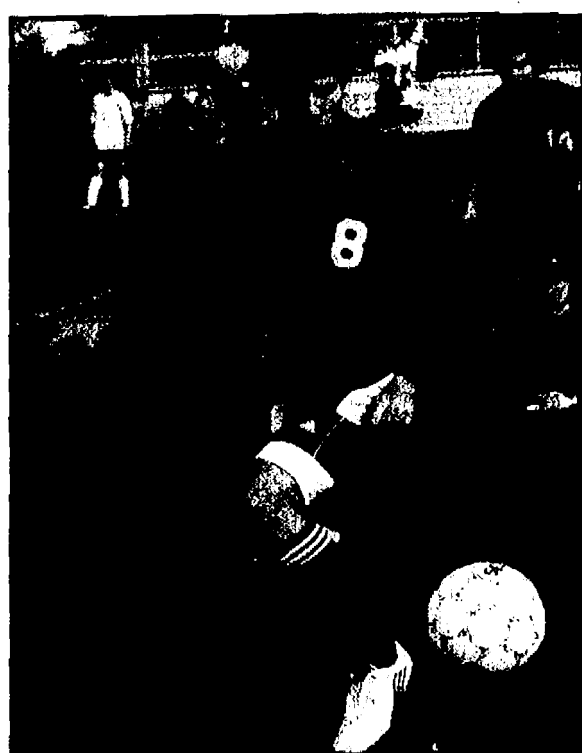

"I'm proud of the effort the guys put forth this sea-

Vikings clinch playoff spot with 28-0 win vs. Ramblers

Grayling ties Boyne City for 2nd in league

by Caleb Casey
Senior Staff Writer

They needed a win, and they got one. The Grayling Vikings (6-3 overall, 5-2 league) clinched a playoff berth – and a second place finish (tie) in the Lake Michigan Conference – with a 28-0 victory vs. the visiting Boyne City Ramblers (6-3 overall, 5-2 league) last Friday in the squad's regular season varsity football finale.

"This was a great win for our kids. They were ready to play from the get-go. Our defense came out hitting hard, and our offense just took what the their defense gave us. We showed a lot of heart out there, and we're all pretty excited about the playoffs," Coach Tim Sanchez said.

Neither team scored in the first quarter. Each team had one turnover in the period – a lost fumble by Boyne City and an interception by Grayling.

Boyne City took over at its 9-yard line (10:22 mark, second quarter) after Grayling went for it on 4th and 1 and came up short. The Ramblers punted on 4th and 5 and Steven Enos returned the kick to the 25-yard line. Quarterback Zach Wolcott threw to David Bergan for a 16-yard gain on first down. On 3rd and goal, Wolcott completed a nine-yard pass to Bergan in the end zone for a TD. Tyler Hanson ran the ball across the goal line for the two-point conversion. Grayling led 8-0 with 7:08 remaining in the first half.

Boyne City drove deep into Grayling territory towards the end of the half, but a fumble recovery by Hanson ended the series.

At halftime, GHS led 8-0.

On the first series of the second half, Boyne City went for it on 4th and 4 and

Grayling's defense held. The Vikings took over at their 47-yard line. Grayling finished the 53-yard drive with a one-yard TD run by Hanson. The series also included a 17-yard pass to Enos, a 10-yard pass to Cody Myers, an eight-yard completion to Enos on 4th and 5, and a 14-yard run by Hanson. The Vikings led 14-0 with 7:14 left in the third period.

Boyne City punted on 4th and 15 and Grayling took over at its 24-yard line.

A run by Hanson and a pass to Enos picked up enough for a first down. A run by Wolcott and a pass to Myers – a play that also included a 15-yard personal foul penalty on Boyne City – gave Grayling another first down. Wolcott threw to Enos for 17 yards. Wolcott ran for 10 yards on the next play. Rushes by Wolcott and

Hanson brought up 1st and goal at the 1-yard line. Wolcott ran the ball into the end zone for a TD on the next play. Grayling led 20-0 with 54 seconds remaining in the third quarter.

Grayling's kickoff pinned the Ramblers deep after the returner slipped down at the three-yard line – the field was wet due to steady rain. Boyne City punted on 4th and 5. The kick went out of bounds, giving Grayling the ball 43 yards from the goal line.

On 1st and 10, Wolcott threw deep to Tyler Brigham for 27 yards. A run by Wolcott picked up 14 yards. Wolcott threw to Enos in the end zone on 1st and goal for a one-yard TD. A shovel pass to Brigham scored the two-point conversion.

Neither team scored in the final 10:45, and Grayling won 28-0.

Wolcott threw for 195 yards and two TDs. He also rushed for 63 yards and one TD. Hanson rushed for 61 yards and one TD. Enos caught six passes for 63 yards and one TD. Brigham finished with 60 receiving yards on three catches.

On defense, Griffin Dean had nine tackles and Ryan Teeple had eight tackles. Joe Contreras and Hanson each had one fumble recovery for GHS.

The Vikings will play at Negaunee (6-3 overall) at 1 p.m. on Saturday, Oct. 31, in a Division 5 Michigan High School Athletic Association playoff game. (Grayling High School will NOT have any pre-sale tickets available for this contest.)

(Check out the Crawford County Avalanche's Web site – www.crawfordcountyavalanche.com – on Sunday, Nov. 1, for online coverage of the game.)

Vikings win pool, finish 4th at Gaylord Invitational

Volleyball squad to play in District 63-B tournament next week

The Grayling Vikings took first in their pool and fourth overall during the Gaylord Invitational - a volleyball tournament - on Saturday, Oct. 17.

In pool play, Grayling defeated Gaylord 2-0 (21-17, 21-19). The Vikings split with both Glen Lake (11-21, 21-13) and Ogemaw (18-21, 21-16).

In bracket play, Grayling beat Cedarville 2-0 (25-21, 25-19). The Vikings lost to Benzie Central (25-19, 15-25, 10-15) and Ogemaw (25-10, 14-25, 5-15).

"I was very proud of the girls. Each weekend tournament the girls got better and better. And to come out (number one) in their pool is awesome. They played together, meaning they were all on the same page. You could see them smiling and having fun. They were supporting each other no matter who was on the floor.

Obviously, we would have liked to place higher overall, but I am very proud of their hard work and team dedication," Coach Jessica Szymoniak said.

Josie Swander had six aces, and Savannah Foguth and Grace Calkins each had five aces. Foguth had 91 assists and Joni Bindschattel had 46 digs. Calkins had four solo blocks and two assisted blocks. Ashley Feldhauser had 38 kills, Sierra Williamson had 32 kills, and Abbey Thomas had 23 kills. Foguth made the all-tournament team.

On Thursday, Oct. 22, the Vikings lost to Onaway - a squad ranked as an honorable mention in the state - 3-0 (scores unavailable) in a game played in Grayling.

Foguth had three aces and 13 assists. Bindschattel had 16 digs and Williamson had nine kills.

"It was our parent's night,

which is very emotional for the seniors. The team took too long to adjust to some changes in the first game and came out fired up for the second and took a 10-3 lead, but Onaway's defense chipped away at our lead and we missed some serves at some inopportune times," Coach Szymoniak said. "Watching them play, you could notice that it wasn't the team that they had been over the weekend. They looked tired and worn down; it has been a couple of long weeks for them and they are starting to get sick."

The meet originally scheduled for Thursday - a series at Boyne City, which closed its schools this week due to widespread illness - was rescheduled for Monday, Oct. 26. The team had a home meet slated for Tuesday, Oct. 27. The Vikings finish their regular season with a meet at East

Jordan on Thursday, Oct. 29.

"Thursday's game has been rescheduled for Monday so (this) week will be just as tiring," Coach Szymoniak said. "My goal is to keep them healthy through districts."

Grayling will play in the District 63-B tournament - an event that will also include Cheboygan, Houghton Lake, Petoskey, and Roscommon - during the first week of November. Roscommon will host the tournament. The Vikings will play Cheboygan at 5:30 p.m. on Thursday, Nov. 5. The winning team will play at 11 a.m. on Saturday, Nov. 7.

Last week, the volleyball team continued its recent fund-raising efforts by sponsoring a canned food drive at the high school. The school donated 1,500 cans during the event.

Scouts kick off fall with adventure weekend

With winter approaching, it is time to put away the tents, hiking boots, canoes and other summer gear...unless you are in scouting. Several events are scheduled to happen in Grayling with Boy Scout Troop 979 all winter long. The start of winter doesn't slow the scouts down...

To kick off the fall season, on Labor Day, they joined thousands of people to walk the Mackinac Bridge. This was the 52nd annual bridge walk.

This adventure weekend included camping with the scout families at Wilderness State Park in Mackinac. Parents were able to sit back and relax while the scouts set up, cooked, and cleaned after

all the meals.

Sunday dinner was a whole turkey, dressing, mash potatoes and gravy, all cooked outdoors over hot coals. Dessert was cobbler cooked in a Dutch oven.

Monday morning, many brave kids (and a few adults) woke up to a refreshing swim at 5:30 a.m. in the frigid waters of Lake Michigan.

Heavy fog rolled in upon the walkers about halfway thru the five mile span, so thick you couldn't see the towers above you.

Oct. 2 and 3, the scouts were at it again. This weekend was spent camping at Hartwick Pines State Park. The scouts were utilized as assistants to help with the

Kiwanis sponsored Hartwick Pines Cross Country Race. They made road blocks to ensure safety and helped supply water for the runners.

The scouts have an outdoor adventure scheduled at least monthly right through the winter.

Troop 979 is sponsoring a council wide Klondike competition in January at Camp Grayling.

Other events scheduled for the winter include an outdoor overnight "Polar Bear" camp in February, a three day winter cabin camp and TC North Stars hockey game in March.

To find out more about scouting and all the winter activities, call Loren Goodale at 348-8682.

HOROSCOPES

For the week of October 29, 2009

Capricorn (December 22 - January 19)
Yikes, Capricorn. A financial transaction looks a bit scary but goes fine. A haunting mystery is finally put to rest with the return of an old friend.

Aquarius (January 20 - February 18)
Fish-pish. You are on to something, and it will pay for you to fish it out. A party invite comes your way. Have a howlin' good time.

Pisces (February 19 - March 20)
Apprehension is running high at work, but there is no reason to fear. The changes implemented will benefit all, especially you, Pisces. Enjoy!

Aries (March 21 - April 19)
Scandal rocks the office, but lucky Aries, you come out unscathed. A terror at home plays one too many tricks. Time to up it in the bud. A friend sends you a sweet treat.

Taurus (April 20 - May 20)
Boo, Taurus. You've turned into your worst nightmare. Admit it and get back to the banies. A furniture find needs some work but has good bones.

Gemini (May 21 - June 21)
Less usually is more, but not when it comes to decorating for a party. Go all out, Gemini, and score up a good time. That special someone makes a tempting offer.

Cancer (June 22 - July 22)
Being in the dark is never good, except for this particular week. The less you know, Cancer, the better off you will be. Cover your ears and pay no attention to the rumors.

Leo (July 23 - August 22)
Awesome, Leo. Your financial picture is not all gloom and doom. In fact, it looks better than it has in some time. Keep up the good work, and you may just eliminate all of your debt.

Virgo (August 23 - September 22)
Ideas fly at home, Virgo, and you're inspired to move things around and make a few changes. An auto issue proves troublesome but not impossible.

Libra (September 23 - October 22)
Work trickles in from every angle, and before you know it, Libra, you're buried up to your ears. Don't despair. A knight in shining armor will come to your rescue.

Scorpio (October 23 - November 21)
Daring Scorpio. A friend's eerie challenge gets your heart thumping, but you take them up on it and dive right in. You come out a winner.

Sagittarius (November 22 - December 21)
Ooh, Sagittarius. Thoughts of a forgotten hobby stalk you. Maybe it's time to give it another go. A romantic gesture is returned, and the flames of passion burn bright.
